WHAT TO DO NEXT (business recommendations - they change with your numbers)

RESTOCK: 7 product(s) are low or out of stock. Open the STOCK REPORT shopping list and buy before you lose sales.

COLLECT: customers owe you ₦104,880. Start with CUSTOMER 01 (₦26,270). Agree a repayment date and record it on the CREDIT sheet.

PRICES: margin is healthy. Review prices again whenever a supplier raises cost.

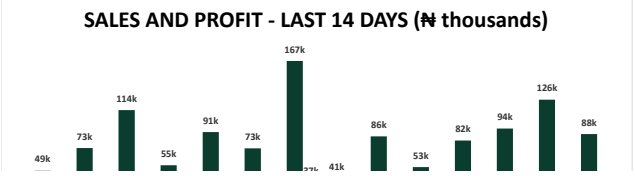

SUPPLIER PRICES: 18 product(s) now cost more than last time. See STOCK REPORT - raise the selling price or ask your supplier for a better deal.

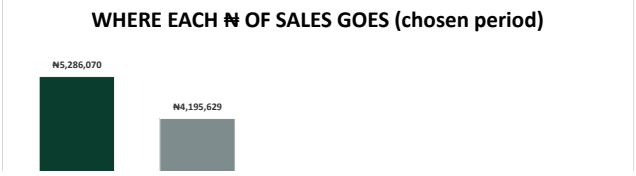

SLOW MOVERS: every product has sold in this period.

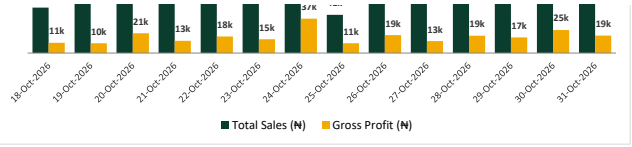

CUSTOMERS: 1 customer(s) have gone quiet. Send a friendly message or a small offer to bring them back.

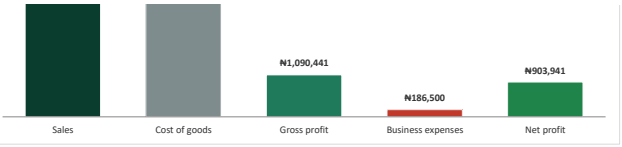

LEAKS: breakage, leakage and personal use cost ₦249,651 in this period. Record every case so you can see the real cost and reduce it.
